THIS AGREEMENT is made and entered into as of the date set forth below by and between the City of Atlantic City (the "City"), having an address at 1301 Bacharach Boulevard, Atlantic City, New Jersey 08401 and Celebrity Corners, Inc. (the "Licensee"), having an address at 3101 Boardwalk R-18, Atlantic City, New Jersey 08401.

WHEREAS, the City is a municipal corporation of the State of New Jersey, owning and controlling certain real property within its territorial limits, including that public right-of-way located at the street end of Montpelier Avenue adjacent to the Boardwalk and the associated Boardwalk ramps (the "City Property"); and

WHEREAS, the Licensee is the owner and operator of a restaurant and bar located at 3119 Boardwalk #18, Atlantic City, NJ 08401 adjacent to the Boardwalk on the corner of Montpelier Avenue and the Boardwalk (the "Business Premises"); and

WHEREAS, the Licensee currently also occupies an area licensed to it by the City adjacent to the Boardwalk on Montpelier Avenue for a deck used for outdoor dining; and

WHEREAS, the Licensee is seeking to expand the existing deck area located in the street-end of Montpelier Avenue so as to connect its restaurant and bar with the existing license area; and

WHEREAS, more specifically, Licensee desires to convert and utilize one (1) of two (2) ramps to the Boardwalk at Montpelier Avenue and part of the Montpelier Avenue street end; and

WHEREAS, the Licensee desires permission from the City to maintain exterior improvements in the way of outdoor seating and general restaurant space as well as decorative treatment and planters ("improvements") as shown on the attached design layout prepared by Thomas A. Dase, on a portion of the City Property as shown on said plan which is approximately ___ feet by ___ feet (the "Expanded License Area") under the terms and conditions set forth herein below; and

WHEREAS, the Expanded Licensed Area was a street end at grade level and the Licensee proposes to deck the Expanded Licensed Area at Boardwalk level at the licensees sole cost and expense to the specifications necessary to construct the aforesaid improvements in the area.

WHEREAS, the City desires to extend the prior license agreement granted under Resolution No. __ of 20__ and to transfer the grant of the License to the new Licensee Celebrity Corners, Inc. for the construction and maintenance of the decking and improvements upon the Expanded License Area.

NOW, THEREFORE, in order to carry out the intent as expressed above, and in consideration of the payment of Four Thousand Eight Hundred Dollars (\$4,800.00) per year, payable beginning on the date of construction completion and every anniversary thereof, the decking of the Expanded Licensed Area which decking will become property of the City upon the termination of this License agreement, and the mutual covenants herein contained, the City and the Licensee hereby agree and covenant as follows:

PURPOSE: A revocable License to maintain the decking and improvements upon the Expanded Licensed Area is hereby granted to the Licensee.

PERMITTED STRUCTURE: The decking and improvements permitted to be maintained upon the Expanded Licensed Area shall be constructed in accordance with the design submitted to the Planning Department, or any amendments or supplements thereto required or approved by the City Planning Department or other appropriate departments or boards of the City. Said attachments and any required or approved amendment(s) are hereby made a part of this agreement as if fully set forth herein. In any event, any structure or improvement to be erected upon the Expanded License Area

must be approved by the City Planning Department and such other agencies as indicated herein or as may be appropriate.

SPECIFIC CONDITIONS OF USE: The within License is expressly subject to the following conditions: Review and approval of the proposed decking and improvement by: the Atlantic City Land Use office; the Atlantic City Engineer's Office; the Atlantic City Fire Department; CAFRA, if required. The Licensee's use of the above described Expanded Licensed Area is limited to the construction of the decking and improvements. Once constructed, the Licensee is responsible for the maintenance and security of all improvements in the Expanded License Area and any equipment, tables and chairs thereon; the equipment, tables and chairs may remain in the Expanded License Area at all times during the term of the License Agreement except that, in the event of emergency, the Chief of Police or Emergency Manager may require the removal of any movable or non-permanent items; This revocable License shall terminate and be of no effect and the Expanded License Area shall revert back to the City upon the occurrence of any of the following: (i) the Licensee or its successors shall fail to construct the decking and improvements as described above within one year from the effective date of this license; or (ii) the Licensee or its successors cease to properly maintain the decking and improvements in the reasonable judgment of the City and fail to cure any such maintenance issues including but not limited to maintaining proper levels of insurance as required herein, within thirty days of notice thereof; (iii) should this license agreement be in contravention or in violation of any State law, regulations or local ordinance then this license agreement will be of no effect and shall be deemed void as a matter of law. In such event, within sixty (60) days written notice from the City to the Licensee, the improvements and, if the City desires, the decking, shall be removed by the Licensee or its successors, at its own expense, or thereafter the City, at the City's discretion, may remove the improvements and/or decking. The City, its agents, servants, and employees shall bear no responsibility or liability for damage caused to the improvements or decking by such removal, and the City shall receive the reasonable cost for such removal from the Licensee or its successors. No signs, banners, logos, emblems, advertisements or the like, not specifically approved by the Atlantic City Planning and Development Department or the appropriate City land use board, shall be placed upon the improvements or within the Expanded License Area. Under no circumstances shall the improvements exceed the perimeter of the Expanded License Area nor shall the improvements be expanded or embellished without the express permission of the City Department of Planning. The Licensee may, with the approval of the City Department of Planning, reduce the size of the improvements from that which is described in plans and specifications referred to herein, so long as the design of the reduced structure is consistent with such plans and specifications. Such reduction in size shall not affect any other terms, conditions or requirements of this Agreement. In no event shall a structure be erected upon the Expanded License Area which is different in design from that which is described in plans and specifications referred to herein, without the approval of the Department of Planning. The decking and improvements shall at all times be maintained by the Licensee at the Licensee's sole cost and expense. Unless terminated by the City in accordance with this Paragraph 3 or revoked by the City in accordance with Paragraph 5, this Agreement may continue in effect for a term of fifteen (15) years from the date of execution of this Agreement;

Upon the termination of this Agreement, the Licensee agrees that the City may, in the City's sole discretion, elect to retain the decking constructed by the Licensee and the Licensee shall have no claim for any reimbursement therefore;

GOVERNMENTAL APPROVALS: All appropriate local, state and federal approvals or permits shall be obtained by Licensee or its agents, prior to constructing the improvements.

REVOCATION: Paragraph 3.b. hereinabove notwithstanding, the City retains the right, at any time after the tenth anniversary of the effective date of this renewed License Agreement, upon sixty (60) days notice from the City to the Licensee, to revoke this License, in part or in its entirety, and to require that the improvements or any structure existing at the time of such notice, be removed from the City's right of way described hereinabove. If, at the expiration of the said sixty (60) day notice period, the Licensee fails to remove such structure the City is hereby authorized to remove the improvements itself and to receive reimbursement from the Licensee or its successor, for the reasonable costs of such removal. Should the City remove the improvements pursuant to the terms of this paragraph, the Licensee, on behalf of itself and its successors and assigns, agrees that the City and

its agents and employees shall bear no responsibility or liability for damage caused to the improvements or adjoining structures, during such removal process.

INSURANCE: At all times during which this License shall be in effect, it is agreed and understood that as a condition hereof, the Licensee, at its own cost and expense, shall extend or maintain the Licensee's existing general liability insurance policy to cover the Expanded License Area, and Licensee shall name the City as additional insured, insuring the City against any and all liability or claims of liability arising out of, occasioned by, or resulting from any accident or otherwise in or about the Expanded License Area, or for injuries to any person or persons. The said insurance shall be for limits of no less than the current limits on Licensee's existing general liability policy for injuries to persons, and for loss or damage to property of one person or persons and shall, in no event, be less than \$1,000,000 per occurrence or \$3,000,000 in the aggregate. The policy or policies of insurance shall be of a company or companies authorized to do business in New Jersey. Should the said policy be renewable on an annual, semiannual or other basis, the Licensee shall have a continuing obligation to provide proof to the City of such insurance coverage.

SUBJECT TO LAW: The Licensee and this License Agreement are subject to all Federal and State laws and the Ordinances of the City of Atlantic City as they now exist or may be hereafter adopted or amended and the Resolutions of the City now in effect or which may be hereafter passed and adopted.

INDEMNIFICATION: As a condition hereof, the Licensee and its successors and assigns agree and are bound to hold the City harmless and to defend the City against any and all claims for damages, costs and expenses to persons or property that may arise out of or be occasioned by use, occupancy, and/or maintenance of the aforementioned Licensed Area or improvements or decking thereon, or from any act or occasion by any representative, agent, customer or employee of the Licensee. It is the intention of this paragraph on the part of the Licensee and a condition of this License that this paragraph shall serve as a full and total indemnification against any kind or character of claim whatsoever that may be asserted against the City by reasons of, or as a consequence of having granted this License.

BINDING EFFECT: This License Agreement shall be binding upon the heirs, assigns, and/or successors in right, title or interest of the parties to this Agreement.

RECORDATION: This License Agreement may not be recorded by the Licensee.

EFFECTIVE DATE: This License Agreement is effective as of the date of the Mayor's signature.

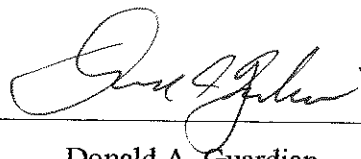

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and year first below written.
